

Encaustic Workshop October 15/16

Venue:

Wilkins Art & Creative 188 Hunter Street W. Peterborough On K9H 2L2
(705)957-2330

Contact: Susan Fisher sufit@nexicom.net 705-740-7760 fisherencaustic.com

Times: 10:00 am – 4:00 pm Saturday and Sunday

Cost: \$300.00 for both days or \$200 for Saturday only

Description:

This workshop will introduce the participants to basic techniques and safe practice of Beeswax encaustic. They will learn how to prep their substrates and then how to paint with encaustic colours with several techniques. Photo transfer will also be one exciting addition. Depending on how the class progresses, collage may also be introduced.

Participants may expect to complete at least 2 works during the Saturday class and more if they are going for the 2 days.

Note: this is an introductory workshop so participants are encouraged to explore and “play” with the various techniques.

All encaustic equipment and materials as well as panels (or substrates) will be provided, you simply need to bring your inspiration and energy!

NB

A payment of \$50 is required upon booking your spot – refundable until October 10, nonrefundable afterwards
